

Missouri Solar Advocacy Day

Wednesday, March 22, 2023

11am to TBD, State Capitol, Jefferson City, Mo.

“Solar Advocacy Day is your chance to bring your “solar story” directly to policymakers and staff in our Missouri state capitol. Come meet with your state legislators, advocating together for the future of Missouri’s solar energy sector.”

Paul McKnight, MOSEIA President

Please come join us for this day of lunch, learning, lobbying, and fellowship.

While we always welcome contributions, there is no cost for this event.

Just email MOSEIA Executive Director, Jonathan Dolan, dolan@moseia.com and include your contact information, as well as indicating any special connection to a particular legislator, and you’ll be all set.

MOSEIA Solar Advocacy Day Schedule of Events...

- 11am** **Meet at Madison’s Café**, 216 Madison St., Jefferson City, Mo. 65101
-City parking garage & street meters right nearby.
- 11:15am** **Lunch & Learning.** “How to Be a Solar Ambassador” briefing & policy discussion.
- 12:30pm** **Capitol Visits with Legislators.**
-The only thing that changes faster than Missouri’s weather is a state legislator’s schedule.
-We will have some set appointments with key leaders and energy committee members and others, we will visit with off the floor or in the gallery or rotunda based on the session schedules.
- 5pm (est.)** Fellowship, for those still in town, Bar Vino, 204 E. High St. Jefferson City. Mo.

Legislative “*Issue Briefs*” on MOSEIA legislative priorities and/or targeting our “*ask*” on particular legislation will be distributed and explained in advance of any visits.

Please come tell “your solar story” and make your voice heard by our state policy makers.

Respond now via email to: dolan@moseia.com with your response and any questions or requests.
